Will Open Flagship Branch in the Heart of Downtown in June 2007***

Honolulu, HI – The Honolulu City and County Employees Federal Credit Union (HCCEFCU) will be opening their flagship branch this June. Located across from Macy’s and next to Pioneer Plaza, residents and workers of the Downtown area will soon enjoy the convenience of this full service branch. It will occupy the first three floors in what was previously known as the Servco Pacific Building at 91 South King Street.

The branch will be open weekdays from 7:30 am to 5:00 pm and will observe the City’s holiday schedule. The branch will offer all available services to businesses and individual members, which include competitive loan and deposit rates, shared branching services, 24-hour ATM access and professional customer service from credit union employees. The branch will also have an Internet café and espresso bar for its members.

“We’ve successfully balanced leading edge technology for efficiency with highly professional staff for “high touch” quality service to our members,” says Rita Ornellas, Chief Development Officer.

Mr. Thomas “Tom” Song will be the branch manager of the Downtown location. Tom currently manages the Waialeale and Waimalu branches of HCCEFCU.

In addition to regular credit union services, CUSO of Hawaii Services LLC will be located on the second floor of the building. They will offer commercial banking, mortgages loan and realty services. CUSO of Hawaii Services LLC is wholly owned by the HCCEFCU.
